## Book Synopsis

Two families, generations apart, are forever changed by a heartbreaking injustice in this poignant novel, inspired by a true story, for readers of *Orphan Train* and *The Nightingale*.

Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize that the truth is much darker. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together—in a world of danger and uncertainty.

Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions—and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation . . . or redemption.
